## Wind turbine update

We have received lottery funding for the wind turbine, and plan to start digging foundations on Sat 20<sup>th</sup> Feb. The wind turbine will be situated behind the shop, and will provide electricity for the shop and toilet lights, and power for one socket in the shop charging power tools etc. **We need volunteers to help on 20<sup>th</sup>, please contact Alan Bartlett on 07795 342822.** We will have a digger to dig the foundations hole on 20<sup>th</sup>, but the spoil will need to be wheel barrowed to a skip at the end of the plot, and the more help we have the better. Tea, coffee and sandwiches will be provided. The wind turbine tower will be delivered and erected mid march, once we have building regs approval etc. We would like volunteers to help in mid march also, but will send out a notice later with dates for the next stage of the project.

*Please let us know of any change to your address, email or phone number*

### Allotment Committee Members

Chris Norton. Chairman. plot 6. 0208 858 4027  
Olive Pemberton. Treasurer. plot 103  
Margaret Turner. New Members. Plot 55

### DATES for your DIARY

Wind turbine: Sat 20<sup>th</sup> Feb 10.30 AM

AGM: Tue 20<sup>th</sup> April 7.30 PM

Committee Meeting: Sat 27<sup>th</sup> March

### SKIP

*The skip being delivered mid Feb is for rubble excavated from the foundations of the Wind turbine only. It is NOT for members use.*

### Committee meeting 31<sup>st</sup> Jan 2010 What was discussed?

- Waiting list** – currently 41 on waiting list
- Thefts and plot vandalism** – still an issue, liaising with community police. Eg, Alan Bartlett had his new fruit cage vandalised last week
- Seed orders** – will be available in shop shortly.
- Plot inspections** – will be done in February
- Water tanks** – at plot 6 and 26a will be fixed by a plumber shortly
- Fruit tree rootsocks** – see website news section for details of suitable roots stocks for the allotment
